Lawn maintenance includes cutting the lawn, string trimming the edges and leaf blowing walking surfaces.

Shrub maintenance includes the shaping of all shrubs, hedges, bushes and small trees under 15' in addition to the removal of dead, dying and diseased branches.

Garden bed maintenance includes as-needed loose debris removal and weeding of garden beds.

Lawn rejuvenation includes spring lawn dethatching, aeration, overseeding, lime and moss control applications. Spring & fall lawn & shrub fertilizations. Summer 'Weed N' Feed' application on lawn. As-needed grass seed spot repairs.

Comprehensive care includes spring annual flower planting, bulb splitting, lawn dethatching, top-dressing and garden bed soil or bark mulch top-ups. It also includes spring, summer and fall GrubBGon applications.
