## Our Services

**Garden care:** Our flagship service, “garden care” keeps the entire garden looking great year-round for a flat monthly fee. Weekly or bi-weekly visits usually include as-needed lawn services, garden bed maintenance, shrub trimming and lawn repairs. The legible one page agreements we provide are tailored to your needs. Inquire for more info today!

**Lawn maintenance & repairs:** Lawn services include cutting the lawn, string trimming the edges and leaf blowing walking surfaces. Lawn repairs can include:

- Dethatching – also known as power raking, dethatching removes excess dead grass.
- Aeration – aeration allows for water, air and nutrients to enter the root zone more efficiently.
- Fertilizing – nitrogen rich fertilizers give lawns their beautiful deep green color.
- Liming – our Pacific Northwest climate results in acidic soils which lime helps remedy.
- Top dressing – a  $\frac{3}{8}$ ” layer 1:1 sand:soil mix is spread over the lawn.
- Overseeding – a generous amount of grass seed is spread over the whole lawn.
- Spot repairs – grass seed is applied to the bare spots on the lawn.
- Weed control – either manually, with selective broadleaf herbicide or a vinegar spray.
- Grub control – GrubBGon (nematodes) is applied to the lawn to control chafer beetle larvae.

### We also offer:

- shrub & hedge trimming <15ft.
- tree trimming < 15ft.
- pressure washing
- seasonal plantings
- bark mulch
- gutter cleaning
- storm cleanups
- snow removal & de-icing
- junk removal

## General information

Thank you for choosing to work with us! We endeavour to ensure your garden radiates natural beauty, offering you peace of mind and confidence that things are done right. We require 72 hours notice if you wish to cancel. Please unlock gates or provide codes and/or keys for serviceable areas. We pledge to work around adverse weather conditions and statutory holidays to the best of our ability.

**Lawn rejuvenations:** Lawn rejuvenations are most effective in early spring and early fall and are perpetual works-in-progress. A lawn rejuvenation is not a guaranteed perfect lawn, rather it is various tasks which we perform to a lawn with need, budget and seasonality in consideration.

**Organics:** For residential customers, we fill paper garden waste bags and/or green bins for disposal by the city on collection day when possible. For commercial and strata customers we remove them.

## Philosophy & purpose:

- Professionalism – our employees undergo a thorough recruitment and training process.
- Integrity – we deal with you, the customer, ethically and honestly and uphold our promises.
- Value – we realize a fair and reasonable profit at a reasonable cost to you.
- Quality – our cohesive team and skilled management ensure quality results time and time again.
- Community – we perform various not-for-profit jobs for the betterment of the community.
- Our purpose is to ensure your customer experience is joyful, easy and rewarding.

**Billing:** We prefer e-transfer to [wrlawncareltd@gmail.com](mailto:wrlawncareltd@gmail.com). We also accept cash, cheque and credit card.

**Inquiries:** Please email us your name, address, phone number and a description of the work requested.

Thank you for your interest. We look forward to hearing from you!
